Prayer List

~Prayers are requested for **Tim Leach**, who fell on Feb. 1st and was taken by ambulance to BMH where they found that he had broken his hip. He had surgery on Feb. 2nd and came through it just fine. They put pins in and a clamp around the bone to keep it together. On Feb. 4th, he was moved to Morrison Woods, where he will undergo rehab. Please pray for his quick and full recovery from this. **Tim & Jenny** appreciate everyone's prayers and concern.

~**Nancy Friedrich** requests prayers for her great-niece, **Evie**. She's experiencing possible complications from her previous surgery (nausea, dizziness, and a feeling of pressure in her head). She has been seen in the ER and will be evaluated at the clinic on Feb. 19th. She may need further surgery to do a revision of her shunt system.

~**Cindy Huffman** will have cataract surgery on Wed., Feb. 11th at 8:30. She would appreciate prayers for the procedure and a good recovery.

~**Diana Cooper** requests prayers for her dad, who is having a lot of health problems. She thinks that what her dad is praying for the most, is that at his January 27th appointment, the doctor will remove his catheter. Diana is also praying that whatever happens, that he will be feeling well when she visits him in April for his 75th birthday. Please pray for her dad's healing.

~**Mike & Judy Monroe** requests prayers for a good friend of Mike's, **Larry Massey**, who is in the hospital and has pancreatic cancer. Please pray for his healing. He's a believer.

~Please keep **Michelle Cook's mom, Linda Bell**, in your prayers. She fell and was in the hospital recently. The doctor took her off of a medication she had been on for many years, and she is having some problems as a result.

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehabilitation. Please pray

for her successful recovery.

~Please continue to keep **Nancy Friedrich** in your prayers as she recovers from cellulitis.

~Prayers are requested for **Paul & Cheryl Teague's grandson, Wyatt**.

~**Marilyn Kitchen** requests continued prayers for 7-year-old **Scarlett Revis**. She's been at Riley Children's Hosp. in Indy, for over a month, due to having 3 skull fractures inflicted upon her by her stepmother. **Update:** She's had surgery to reduce bleeding in her brain and a surgery to repair the fractures in her skull. **Most Recent Update:**

Scarlett has been moved to the rehab unit where she is receiving speech, physical and occupational therapy. She is sitting up, talking some, smiling and has movement on one side. The therapist has had her up walking with assistance. Praise God for these improvements and the answered prayers!

Please continue to pray for Scarlett and her family, as she continues her recovery. (Her stepmother and the biological father have custody of her. Evidently, the father has known about the abuse for 6 months and never reported it. They are both currently in the Blackford County jail. Scarlett's biological mom is with her at Riley. The paternal grandparents have the two-year-old twins, trying to keep them out of the "system" but are struggling with resources to care for them.)

~Prayers are requested for **Cristy Abels**, as her cancer has returned, and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Susan**, who has liver cancer and several cancerous lesions on her brain. She was to have surgery on Dec. 12th. Another niece, **Sandy**, who has colon cancer, fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

Prayer List Cont'd. from Page 2

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.

~Please keep **Jerry Monroe** in your prayers, as he's dealing with bone cancer. He's staying with his mother, Oretha and sister, Margaret.

~Please continue prayers for **Oretha Monroe**, and pray for all the **Monroe family**, as several have health issues.

~**Diana Cooper** requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it has metastasized to her brain. **Update:** She found out that she has 4 tumors in her brain. **Recent Good News Update:** Karra had a recent scan that showed that the chemo is continuing to work and there are no new tumors or lesions. She is cleared to finally return to work at the beginning of February.

~**Michelle Cook** requests prayers for her brother, **Beau Bell**, who is not doing well at this time. (As you'll recall, he's been on our Long-Term Prayer List due to his suffering with an aggressive type of Parkinson's disease. He lives in Evansville.) Please also keep their mom, **Linda Bell** and all their family in your prayers during this difficult time.
