Welcome Visitors!

We're glad you came our way; please let us get to know you better. Please take the time to fill out a Visitor's Card. There is a carry-in fellowship dinner some Sunday mornings after services—Please stay as our honored guests, and let us get to know you better.

Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Prayer List

~**Becky Parks** informed us that her sister, **Cindy Rifner**, passed away on Wed., Feb. 18th. She was recently diagnosed with cancer, but this happened so fast. She was Katie and Ethan Mulford's grandma. Please pray for this family as they deal with the loss of Cindy.

~**Ralph Bright's nephew, Billy Bolding**, passed away. Please pray for the family as they deal with the loss of him.

~Prayers are requested for **Tim Walls**, who was taken to the ER on Feb. 9th and was admitted with congestive heart failure and extreme edema. He was to stay there until the water was released. (He lost 20 lbs. of water weight the first night!) **Update:** Tim is home from the hospital now. Please pray for his healing and full recovery from this.

~**Linda Muckway's 20-month-old-niece, Harper Yvonne** was recently diagnosed with leukemia. She is currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Please pray for Harper's healing and for her family, as they go through all of this with her.

~Prayers are requested for **Tim Leach**, who fell on Feb. 1st and broke his hip. He had surgery on Feb. 2nd and did well. They put pins in and a clamp around the bone to keep it together. On Feb. 4th, he was moved to Morrison Woods, where he will undergo rehab. Please pray for his quick and full recovery from this. Tim & Jenny appreciate everyone's prayers and concern.

~**Nancy Friedrich** requests prayers for her great-niece, **Evie**. She's having issues (nausea, dizziness, and a feeling of pressure in her head) from her condition of water on the brain. She's been seen in the ER and will be evaluated at the clinic on Feb. 19th. She may need further surgery to do a revision of her shunt system.

~Prayers are requested for **Cindy**

Huffman, who had cataract surgery on Feb. 11th. Please pray for her quick healing and a full recovery.

~**Diana Cooper** requests prayers for her dad, who is having a lot of health problems. She thinks that what her dad is praying for the most, is that at his January 27th appointment, the doctor will remove his catheter. Diana is also praying that whatever happens, that he will be feeling well when she visits him in April for his 75th birthday. Please pray for her dad's healing.

~**Mike & Judy Monroe** requests prayers for the family of a good friend of Mike's, **Larry Massey**, who passed away to be with the Lord. (He had been in the hospital with pancreatic cancer.) Thank you for your prayers.

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehab. Please pray for her successful recovery.

~Please continue to keep **Nancy Friedrich** in your prayers as she is dealing with some health issues.

~**Marilyn Kitchen** requests continued prayers for 7-year-old **Scarlett Revis**. She's been at Riley Children's Hosp. in Indy, for a couple of months, due to suffering 3 skull fractures. She had two surgeries and has been receiving rehabilitation and improving steadily.

Update: Scarlett's grandparents have been granted full custody of Scarlett and her younger half-brothers. Also, Scarlett's medical team is actively working with her grandparents to prepare her to go home! Praise God for these improvements and the answered prayers! Please continue to pray for Scarlett and her family, as she continues her road to recovery.

~Prayers are requested for **Cristy Abels**, as her cancer has returned, and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her

Prayer List Cont'd. from Page 2

niece, **Susan**, who has liver cancer and several cancerous lesions on her brain.

She was to have surgery on Dec. 12th. Another niece, **Sandy**, who has colon cancer, fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.

~Please keep **Jerry Monroe** in your prayers, as he's dealing with bone cancer. He's staying with his mother, Oretha and sister, Margaret. Please also continue prayers for **Oretha Monroe**, and pray for all the **Monroe** family, as several have health issues.

~**Diana Cooper** requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it had metastasized to her brain, and she has 4 tumors in her brain. **Update:** Karra had a recent scan that showed that the chemo is continuing to work and there are no new tumors or lesions. She was cleared to finally return to work in Feb.

~**Michelle Cook** requests prayers for her brother, **Beau Bell**, who is not doing well at this time. (He's been on our Long-Term Prayer List due to his suffering with an aggressive type of Parkinson's disease. He lives in Evansville.) "Where, O death, is your victory?

Where, O death, is your sting?"

The sting of death is sin, and the power of sin is the law. But thanks be to God! He gives us the victory through our Lord Jesus Christ.
