We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Prayer List

~**Marty Hurst** requests prayers for his sister, **Debbie Raines**, who found out she has stage 4 colon cancer and a mass on her liver. She was to have surgery a week ago to remove the mass. Please pray for her good surgery results and healing.

~We extend our deep sympathy and prayers to **all the Monroe family** in the loss of **Jerry Monroe**, who went home to be with Jesus on March 18th. Please keep this family in your prayers, as several have health issues.

~**Annetta Hill** requests prayers for peace for her grandchildren. **Ashley Hill, who is Titus, Micah, and Jael's mother**, is in a nursing home with end-stage liver failure. Please pray for them during this difficult time.

~Please keep **Tim Walls** in your prayers, as he recovers from congestive heart failure and extreme edema. He is home from the hospital now. Please pray for his full recovery from this.

~**Linda Muckway's 20-month-old-great niece, Harper**, was recently diagnosed with leukemia. She's currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Harper also has an identical twin sister, **Sloane**, who will have to be checked periodically. They are also doing some genetic testing to check for other types of mutations. Harper has responded well to the first 10-day round of chemo. It was completed on Feb. 15th, and she needs to stay in isolation longer because she

developed a virus, and they also have to wait for her white blood cell count to improve.

~**Diana Cooper** requests continued prayers for her **neighbor**, whose back surgery went great, but complications with her lungs arose and after trying multiple oxygen treatments and machines, they are waiting on the results of a CT scan and considering intubation. Please pray for her good results and healing.
