We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

## Prayer List

~**Lois Calvert** informed us that her **niece, Susan Cloninger**, passed away. (As you'll recall, Susan was on our prayer list and was suffering from liver cancer and had several cancerous lesions on her brain.) Please pray for the family during their time of loss.

~We extend our deep sympathy and prayers to **Jenny** and all the family of **Tim Leach**, who passed away to be with the Lord on April 1st. Please keep this family in your prayers.

~**Annetta Hill** requests prayers for her grandchildren, **Titus, Micah, and Jael**, and all the family of their mother, **Ashley Hill**, who passed away on March 25th. Please keep this family in your prayers, as they deal with the loss of her.

~**Marty Hurst** requests prayers for his **sister, Debbie Raines**, who found out she has stage 4 colon cancer and a mass on her liver. She was to have surgery recently to remove the mass. Please pray for her good surgery results and healing.

~Please continue to keep **all the Monroe family** in your prayers, in the loss of **Jerry Monroe**, who went home to be with Jesus on March 18th. Please keep this family in your prayers, as several have health issues.

~Prayers are requested for **Dani DeJesus' baby girl, Juliette**, who will have an MRI in late April.

~**Nancy Friedrich** requests continued prayers for her **great-niece, Evie**, (age 9). She has had 5 surgeries in the last 18 months. There is no cure for her condition. Please also pray for Evie's parents, who have to keep on top of her issues.

~**Linda Muckway's 20-month-old-great niece, Harper**, was recently diagnosed with leukemia. She's currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Harper also has an identical twin sister, **Sloane**, who will have to be checked periodically. They

are also doing some genetic testing to check for other types of mutations. Harper has responded well to the first 10-day round of chemo. It was completed on Feb. 15th, and she needs to stay in isolation longer because she developed a virus, and they also have to wait for her white blood cell count to improve.

~**Marilyn Kitchen** informed us that **Scarlett Revis** is back in school for a couple of hours each day. It was assumed she probably would not go back until next school year and would have to repeat 2nd grade. Now, it looks like she is doing well enough that she may be ready to move on to third grade next year. She remains in a wheelchair, but is taking a few steps with assistance. Praise God for what He is doing in speeding her healing, and for giving Scarlett such determination to get well!

~**Diana Cooper** requests continued prayers for her **neighbor**, whose back surgery went great, but complications with her lungs arose and after trying multiple oxygen treatments and machines, they are waiting on the results of a CT scan and considering intubation. Please pray for her good results and healing.

~**Diana Cooper** requests continued prayers for her **dad**, who still has a catheter and is slated for surgery in May. Diana is also praying that he will be feeling well when she visits him in April for his 75th birthday. Please pray for his healing.

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehab. Please pray for her successful recovery. Please also keep the Bright's daughter-in-law, **Collette Bright**, in your prayers, as she has several medical issues.

~Please continue to keep **Nancy Friedrich** in your prayers as she is dealing with some health issues.

~Prayers are requested for **Cristy**

### Prayer List Cont'd. from Page 2

**Abels**, as her cancer has returned, and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Sandy**, who has colon cancer and fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.

~**Diana Cooper** requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it had metastasized to her brain, and she has 4 tumors in her brain. **Update:** Karra had a recent scan that showed that the chemo is continuing to work and there are no new tumors or lesions. She was cleared to finally return to work in Feb.
