Welcome Visitors!

We're glad you came our way; please let us get to know you better. Please take the time to fill out a Visitor's Card. There is a carry-in fellowship dinner some Sunday mornings after services—Please stay as our honored guests, and let us get to know you better.

Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Prayer List

~Prayers are requested for **Julie Calvert's mom, Barbara Kennedy**, who was in the hospital ICU on May 1st. Later that evening, she was out of the ICU, her blood pressure was down, and she was eating. Please continue to pray for her continued improvement.

~**Marty Hurst** requests prayers for his wife, **Annette**, who was admitted to BMH on April 27th. Her oxygen is low, and they are trying to correct that. She was expected to stay in the hospital a few more days. **Marty's daughter, Amber Hurst**, is dealing with breast cancer. She's had some surgery, and they are now setting up a treatment plan (chemo/radiation). **His sister, Debbie Raines**, is still dealing with her cancer situation, and they are working on treatment options. Please pray for healing and recovery for these Hurst family members.

~Prayers are requested for **Dani DeJesus' baby girl, Juliette**, who had an MRI for a growth on her collar bone, and they are awaiting the results. Please keep her in your prayers.

~**Charlotte Bright** requests prayers for her stepdaughter, **Karen Bouc**, who has tumors in her lungs, and they think that they are cancerous. She is waiting on test results. Please pray for her good results and healing.

~**Diana Cooper** requests continued prayers for her neighbor, whose back surgery went well, but she had some complications with her lungs afterward.

Update: She was released from rehab to go home on April 21st, (TOO SOON!!), and she called Diana several times not being able to get up from her chair, the toilet, etc. She ended up falling and went back to the hospital on April 25th. She has back fractures with pooling blood, and blood clots in her lungs. Please pray for her healing & recovery.

~**Nancy Friedrich** requests continued prayers for her great-niece, **Evie**, (age 9). She has had 5 surgeries in the last 18 months. There is no cure

for her condition. Please also pray for Evie's parents, who have to keep on top of her issues.

~**Linda Muckway's 20-month-old-great niece, Harper**, was recently diagnosed with leukemia. She's currently receiving chemo, and will soon have testing to determine which type of leukemia she has. Harper also has an identical twin sister, **Sloane**, who will have to be checked periodically. They are also doing some genetic testing to check for other types of mutations. Harper has responded well to the first 10-day round of chemo. It was completed on Feb. 15th, and she needs to stay in isolation longer because she developed a virus, and they also have to wait for her white blood cell count to improve.

~**Marilyn Kitchen** informed us that **Scarlett Revis** is back in school for a couple of hours each day. It was assumed she probably would not go back until next school year and would have to repeat 2nd grade. Now, it looks like she is doing well enough that she may be ready to move on to third grade next year. She remains in a wheelchair, but is taking a few steps with assistance. Praise God for what He is doing in speeding her healing, and for giving Scarlett such determination to get well!

~Please continue to keep all of the **Monroe Family** in your prayers, as several have health issues

~**Charlotte Bright** requests prayers for her granddaughter, **Holly**, who is currently in rehab. Please pray for her successful recovery. Please also keep the Bright's daughter-in-law, **Collette Bright**, in your prayers, as she has several medical issues.

~Please continue to keep **Nancy Friedrich** in your prayers as she is dealing with some health issues.

~Prayers are requested for **Cristy Abels**, as her cancer has returned,

and it is in her brain. Please pray for her healing and strength, as she has endured a long battle with cancer.

~**Lois Calvert** requests prayers for her niece, **Sandy**, who has colon cancer and fell and cracked her pelvis. She can no longer take the treatment she was on. When her pelvis heals, radiation will be considered.

~**Dave Mathews** requests continued prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray is battling an aggressive cancer within his prostate. Please pray for both **Ray & Gayle** as they deal with this, and pray for Ray's healing and for his good PET scan result.
