Prayer List

~**BJ Thomas** informed us that **Mike Thomas** was home from the hospital on Wed., (June 24th), and his hip replacement surgery went well. However, the bone around the ball was mush. So that was cleaned out and a donor bone was inserted to keep the new ball in the socket. He has to use a walker for a month and no weight bearing on his leg. He can touch his foot down but can't put weight on it. It's going to take about a year for the donor bone and his bone to fuse together. Please pray for his full recovery.

~Please continue to keep all of the **Monroe family** in your prayers, as they deal with the loss of **Oretha Monroe**, who passed away on June 10th, at the age of 96.

~Prayers are requested for **Dave Mathews' sister, Gayle Lego**, who has been diagnosed with Early Onset Dementia (she won't be 69 until September). Tests and treatment is just beginning. Please pray for her good results.

She has now finished the current 28 day chemo cycle. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that

when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God.
