Here, we strive to follow Jesus as he is seen in the New Testament. We pray, study, sing, and take communion together in order to grow closer to God and to each other.

We would love to have you grow with us toward Christ. If we can help you, in any way, please talk to us. The telephone numbers of our elders, deacons, and minister can be found within this bulletin. We hope to see you again soon and often!

Prayer List

~Prayers are requested for **Mike Monroe**, who suffered a heart attack on Aug. 4th and was in a medically-induced coma at BMH. He had 2 blockages. (They put him in the coma to allow him to get some rest.) As of Aug. 9th he was intubated and was resting before his heart valve stent surgery on Aug. 10th. **Update:** *Chris Monroe informed us that his dad, Mike, came through his heart surgery, and 2 stents were successfully placed. His “widow maker” artery was 80% blocked. He’s still in critical condition, and as of Aug. 13th, he is still intubated and sedated. The family asks please no visits or phone calls for Mike at this time, while he’s still intubated, sedated, and under constant supervision....just keep praying please.*

~Please continue to keep **Michael Thomas** in your prayers, as he continues on his road to recovery from his recent hip surgery.

~Prayers are requested for **Lois Calvert’s sister, Joyce Colvin**, who had to have stents put in.

~**Alex & Diana Cooper** requests prayers for their campground friend, **Blake Pailee**, who is 31 years old and had a heart attack on July 11th. He’s in the Cardiac ICU. **Alex & Diana** also requests prayers for their young friend, **Kara Peercy**, as her breast cancer has returned.

~**Judy Monroe** requests prayers for Mike’s dear friends, **Beth Edwards** and her husband, **David**.

~Prayers are requested for **Candace Pitts, (a friend of Ryan Sullivan’s)**, who has acute Myeloma Leukemia.

~Continued prayers are requested for **Cristy Abels and family**, as her cancer has spread to her spinal column, and she is now receiving hospice care. *Cristy has endured a long battle with cancer, and they are in need of financial assistance. They have posted a Go Fund Me page on Facebook.*

~**Marty Hurst** requests prayers for his daughter, **Amber Hurst**, who is dealing with breast cancer. She’s had some surgery, and they are now setting up a treatment plan (chemo/radiation). **His sister, Debbie Raines**, is still dealing with her cancer situation, and they are working on treatment options. Please pray for good treatment results, healing, and recovery for **Amber and Debbie**.

~**Nancy Friedrich** requests continued prayers for her great-niece, **Evie**, (age 9). She has had several surgeries, and there is no cure for her condition. Please also pray for Evie’s parents, who have to keep on top of her issues. **Update:** *Evie has been found to have another condition that is contributing to her original condition of water on the brain. Please keep her in your prayers.*

~**Linda Muckway** requests continued prayers for her **2-year-old great niece, Harper**, who was recently diagnosed with leukemia. **Newest Update:** *Harper did not respond to the clinical trial, and her disease has once again progressed while on active treatment. Although treatment options are becoming extremely limited, they are going to head into a 6th cycle of intensive chemotherapy treatment for her. Please pray fervently for Harper. Pray*
