Prayer List

~**Cindy Huffman** will have cataract surgery THIS Wed., Sept. 10th. She would appreciate your prayers for a successful surgery and recovery.

~Last Sunday, we were informed that the **Daniel Huston Family** has Covid. Please pray for their quick and full recovery.

~**Dave Mathews** requests prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray's biopsy results were not good. They found 3 new areas of aggressive cancer within his prostate. His Gleason score is now an 8, and it only goes up to 10. He'll need radiation treatment with possible androgen suppression drugs. He's to have a PET scan and an appt. with the oncologist ASAP. Please pray for both Ray & Gayle as they deal with this news, and for Ray's healing and for his good PET scan result.

~Please continue to keep **Tim Leach** in your prayers. He was diagnosed with lung cancer recently and has been receiving radiation treatments. **Jenny Leach** has been diagnosed with macular degeneration. Their brother-in-law, **Gary Sloan**, has recently also been diagnosed with lung cancer. Please continue to keep this family in your prayers, praying for strength and healing, as they battle these health issues.

~**Alex & Diana Cooper** requests continued prayers for: their friend, **Tina**, who has been in remission for breast cancer, but she found out that her cancer has returned. She is receiving radiation, and her round of 5 days of radiation has made her very sick. ***Update:** Her treatment went well and her new cancer spot is gone. The other is unchanged, but the radiation is still working on it.* Please pray for her strength and that the radiation treatment will put Tina's cancer back into remission.

~**Diana Cooper** also requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it has metastasized to her brain. She is a young mother and is supposed to be getting married next month. Please pray for her.
