Prayer List

~**Larry Calvert** was scheduled to have a procedure done on Oct. 30th, to adjust his pacemaker. Please pray for his good results.

~Please continue prayers for **Dani DeJesus** and her newborn twins, **Malakai and Juliette** (who were born prematurely and weigh only 3 lbs. each). Malakai had to be sent to Riley Children's Hospital on Oct. 25th and (Dani is staying with him there). Thankfully, he did not need surgery and he had his breathing tube removed on Oct. 29th. He is doing better, but they were keeping him there (at Riley) for observation for another week. Juliette is doing great too. She got her IV out on Oct. 27th and had her first bath. Meanwhile back home, Dani's husband, **Zack** and their 1-year-old daughter, **Lilliana**, had to stay with relatives until their furnace gets fixed possibly on Oct. 28th. They so appreciate the continued prayers and the food they have received.

~**Nancy Friedrich** requests prayers for her little great-niece, **Evelyn (Evie)**, who is experiencing shunt failure. *(As you'll recall, she has been on our Long-Term Prayer List for awhile due to her having a brain issue.)* **Update:** *She had surgery on Oct. 28th and the entire shunt had to be replaced. She tolerated the surgery well, and she was to remain in the hospital the next day for observation. Nancy thanks everyone for their prayers.*

~**Gale Cox's daughter, Rebecca**, is asking for prayers for some decisions that have to be made soon. She currently has custody of her great-nephew, **Xander**. It is possible that parental rights will be terminated in the near future, and Becky would have the opportunity to adopt him. She'd like prayers for wisdom and that the outcome is whatever is best for Xander.

~We were informed that **Rob Pierce** is on the *Kidney Transplant List* now. Please pray that he will be able to get the needed kidney soon.

~Continued prayers are requested for **Dave & Renee Huffman's grandson, Ty**, who had a motorcross accident recently which required a surgery. Please pray for his quick healing and recovery.

~**Dave Mathews** requests prayers for his brother-in-law, **Ray Lego**, (Dave's sister, Gayle's husband). Ray's biopsy results were not good. They found 3 new areas of aggressive cancer within his prostate. His Gleason score is now an 8, and it only goes up to 10. He'll need radiation treatment with possible androgen suppression drugs. He's to have a PET scan and an appt. with the oncologist ASAP. Please pray for both Ray & Gayle as they deal with this news, and for Ray's healing and for his good PET scan result.

~Please continue to keep **Tim Leach** in your prayers. He was diagnosed with lung cancer recently and has been receiving radiation treatments. **Jenny Leach** has been diagnosed with macular degeneration. Their brother-in-law, **Gary Sloan**, has recently also been diagnosed with lung cancer. Please continue to keep this family in your prayers, praying for strength and healing, as they battle these health issues.

~Please continue to keep **Ralph Bright's nephew, Scott**, in your prayers. He has bone cancer. **Charlotte's parents** also need your continued prayers.

~Please keep **Jerry Monroe** in your prayers, as he's dealing with bone cancer. *He's staying with his mother, Oretha and sister, Margaret.*

~Please continue prayers for **Oretha Monroe**, who is home from the hospital, but she's very weak. Also, pray for all the **Monroe family**, as several have health issues.

~**Charlotte Bright's** granddaughter, **Holly Voiles**, had four seizures, a U.T.I., and has been diagnosed with a possible brain tumor. She also had

two blood transfusions. Please pray for her strength, healing, & recovery.

~**Alex & Diana Cooper** requests continued prayers for their friend, **Tina**, who has been in remission for breast cancer, but she found out that her cancer has returned. She is receiving radiation, and her round of 5 days of radiation has made her very sick. **Update:** *Her treatment went well and her new cancer spot is gone. The other is unchanged, but the radiation is still working on it.* Please pray for her strength and that the radiation treatment will put Tina's cancer back into remission.

~**Diana Cooper** also requests prayers for her friend, **Karra** and her family. Karra's breast cancer seemed to be in remission, but it was discovered that it has metastasized to her brain. **Update:** *She just found out she has 4 tumors in her brain.* She is a young mother and is supposed to be getting married soon. Please pray for her.

~**Michelle Cook** requests prayers for her brother, **Beau Bell**, who is not doing well at this time. *(As you'll recall, he's been on our Long-Term Prayer List due to his suffering with an aggressive type of Parkinson's disease. He lives in Evansville.)* Please also keep their mom, **Linda Bell** and all their family in your prayers during this difficult time.

~**Lois Calvert** is requesting prayers for her family members: Her nephew (Dewey's son) **Bruce Bailey**, has a rare and serious problem with his bone marrow. He's receiving treatment in S. Carolina. Lois's niece, **Sandy**, has begun chemo for her colon cancer. Please keep them both in your prayers.

New Sunday School Adult Class

TODAY, (**November 2nd**), at 9:00 a.m., Dave Mathews will begin a new Sunday School Class called “*Born Again-Christian Rebirth.*” The class will be an extensive study on baptism looking at the Scriptures as well as history and scholarly writings. The class will also look at departures from Apostolic practice to show how we got to where we are in the religious world on the subject of conversion. If you do not currently attend Sunday School, please consider joining us. We have a great time discussing the Bible and fellowship-ping with one another.

The Fairlawn **Ladies Lunch Bunch** will meet on Wed., **November 12th** at **12:45pm** at the Pizza King on N. Wheeling Ave. Feel free to bring a friend or two!
